

Summer Reading Log

Student Name: _____
My New Teacher: _____

Grade: _____

Set a Goal! How many books do you plan to read this summer? _____

Please keep track of the books you read or that are read to you over the summer. Bring in this sheet at the beginning of the school year, in exchange for a certificate and to have your name added to the Lower School Summer Reading Bulletin Board. You do not need to fill up every line. Just use this form, as a helpful tool, to keep track of what you have read in June, July & August.

Families: Research has shown that students who do not read over the summer can lose one to three months of progress in reading. Students who do read over the summer and have involved parental support with reading can actually gain achievement in reading.
