FINANCIAL AID

Need-based financial aid is available for students applying to Sayre School in grades one through twelve. Families interested in financial aid should complete the Parent's Financial Statement (PFS) and list Sayre as a recipient. The form may be obtained from the Sayre School website (www.sayreschool.org > Admission tab). Financial aid is awarded to families who qualify based on need and meet the school's financial aid policies and procedures. A student must be officially accepted to the school before receiving a financial aid award.

Please contact the Admission Office for information on financial assistance.
