Sayre Students Are Making A Difference

Sayre students are making a difference for American Heart Month. Sayre Middle School students designed over 100 bright and colorful paper grocery bags in an effort to raise awareness and promote heart health messages empowering people to love their hearts! “Since February is American Heart Month, the students and I decided to emphasize ways to keep your heart healthy,” said Middle School art teacher Anne Allen. “The bags provide heart-healthy recommendations in our student’s own words,” said Anne.

Sayre sixth-grader Sara Bailey Garlington loved the idea. Her bag encourages people to “live life and stay healthy!” “It was a fun project. I hope people read the bags and take note of the messages,” said Sara Bailey.

The bags will debut at the Euclid Kroger on February 1st. Be sure to ask for a Sayre student’s heart-healthy bag! Together, we can encourage each other to make healthier choices.

You can also show your support by wearing red on Friday, February 7.

Our Mission:

Sayre School provides an innovative and inclusive learning environment that empowers students to achieve academic excellence, embrace challenge, and cultivate integrity in order to lead purposeful lives in an ever-changing world.
